

How we can help your brand win the booming Chinese market

OrgHive is a unique, China-based social and content platform committed to helping consumers make healthier, more informed lifestyle choices, while helping natural or organic brands get in front of the right consumers at the right time.

The notorious challenges that international brands looking to enter China face include: lack of transparency on ad spend, reaching the right audience, and establishing brand trust. That said, OrgHive is here to deconstruct problems and provide a groundbreaking solution for you.

By subscribing to our platform on a monthly basis, you will receive access to different features to help you reach, engage, and convert consumers, effectively helping your brand increase visibility, grow your digital presence, lower your marketing and customer acquisition costs, and ultimately, drive higher marketing ROI and conversions.

Ready to subscribe but not sure which plan is right for you? This document will provide useful guidance for you! No matter what stage you are at in your launch into China, we've got you covered!

Become a **BEE** member if your goal is to test your market strategy and secure proof-of-concept for brand success in China

- You would like to get **proof-of-concept** for further investment in market growth
- You are interested in trying this **game-changing solution** but not ready to commit to an advanced membership plan

Become a **HONEYCOMB** member if your goal is to boost brand awareness with content marketing

- You are looking to **raise significant brand awareness** while **launching an impactful content strategy** and **engage audiences** across different social media channels

Become a **HIVE** member if your goal is to establish your position as a market leader in your category

- You have yet to develop a website, especially one with **localised content**. Our **microsite feature** will effectively help **drive large amounts of traffic** to your e-commerce channels while allowing you to **engage your microsite followers directly**
- You often have **new product releases** or offer **coupons** for your customers
- You need **maximum support** in rapid brand growth and customer acquisition strategies

OrgHive membership plan comparison
